This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion for an Expedited Hearing filed by Hilton Head Plantation Utilities, Inc. (HHPU) and Hilton Head No. 1 Public Service District (HH No. 1 PSD).

By Order No. 94-1167, dated November 10, 1994, the Commission ordered that the Application for Transfer be held in abeyance until HHPU could investigate sources of supplemental water supply, other than the Beaufort Jasper Water Authority, and then supply the Commission with the results of the investigation. The Commission also instructed HHPU to include supporting cost documentation with the information.

By their Motion, HHPU and HH No. 1 PSD request that the Commission give this matter expedited consideration and request a hearing at the earliest possible date.

The Commission has considered this matter and believes and so finds that an expedited hearing is in the public interest. Therefore, the Commission instructs the Commission Staff to set this matter for hearing at the earliest possible date.

This Order shall remain in full force and effect until further Order of the Commission.
